

# Kindergarten Academy Stars

Hi Kindergarten friends and families!

Like all of us, we know that your most pressing concern is for the health, safety and welfare of your loved ones.

While it is not safe for us to have school, we thought it would be helpful to keep providing learning opportunities.

In addition to the packet of work you will be receiving, we will be in touch with some virtual learning fun.

We miss you! Be well!

## Literacy

The most important thing you can do is read to your child! We can not stress this enough!

This literacy website is offering free access for 30 days.

---

## Math

We have been studying about number bonds and subitizing (recognizing numbers automatically) Here are a couple links to watch with your children:

Number Bonds:

---

## Science and Social Studies

We have been studying about maple sugaring and just beginning to learn about the five senses. Here are a couple link to watch with your children:

How is maple syrup made?:
