

Dear Parents:

Last year Academy School joined the Afterschool Meal Program (AMP), which means that we will be offering a free afterschool meal for all students who are participating in an afterschool activity at school. Our afterschool program, which we refer to as our Extended Day Program, offers tutoring and enrichment activities and will start on Monday, September 28. It is held three days per week, Monday, Wednesday and Thursday from 3:10 to 4:10. A late bus is available for students who need transportation.

The afterschool meal will consist of sandwiches, fruits, vegetables and soups and include milk or fruit juice. The meal is free of charge to all children who attend Academy School and will be offered to all students in attendance in one of our Extended Day activities.

If you wish for your child to not receive this meal or if your child has a food allergy, please return the bottom portion of this form to the school.

Please feel free to contact me if you have any questions or feedback about this program.

Sincerely,

Andy Paciulli
