

# WSESU Quarantine Menu by Grade Level

Dear Families,

We will miss your child tremendously in the coming days that they will need to remain at home. In order to encourage them to continue learning please utilize the following menu of activities each day. While we will need to mark your child absent for any in-person days missed, your child is still encouraged to participate in their remote days of instruction if they are well enough.

**If your child needs to quarantine:**

1. Contact the school office and the nurse to communicate the reason your child will need to stay home.
2. Follow your child's classroom remote attendance or check in procedures on their remote instruction days.
3. Complete the activities provided on the menu below each day that your child is unable to attend school in addition to their weekly specials offerings.

## Daily Menu: Kindergarten

Have-tos	
Literacy	Math
<input type="checkbox"/>  <b>Lexia:</b> for 15 minutes  <input type="checkbox"/>  <b>Listen</b> for 20 minutes <a href="#">MyON</a> Or a book from home	<input type="checkbox"/>  <b>Dreambox:</b> for 20 minutes  <input type="checkbox"/>  <b>Play a math game</b>
